Wisconsin Climate Action Navigators Meeting

Attendees will leave the in-person meeting with:

- A broader network of partners with similar goals
- Better understanding of how the group will continue co-designing WI Climate Action Navigators
- Defined outcomes of the WI Climate Action Navigators network impacts and goals
- Clarification of your/your organization's commitment as a WI Climate Action Navigator
- An understanding of next steps on how to advance new and existing collective initiatives

Thursday, January 25
